SUPPORT YOUR POLICE & MILITARY!

The mission of The Freedom Fund is to express the greater Charlottesville community’s gratitude and appreciation for the service and sacrifice of our local military (active, retired and veteran) and our sworn law enforcement personnel.

The Freedom Fund strives to meet its mission by: Maintaining an online directory of businesses that offer discounts for local military and sworn law enforcement personnel (www.gratitudecville.com); Recognizing, financially supporting and promoting local organizations that offer services and/or support for the military and police; and hosting appreciation events throughout the year for military and police personnel, and their families.
